THE ROUNDHOUSE PANTRY LAUNCHES IN OPENSHAW

Are you feeling like all you do is work hard, pay your bills and take care about what you buy in the supermarket due to your reduced working hours… maybe you have totally lost your employment… maybe you are working from home and looking after children, which adds to your food and energy costs… maybe you have other pressures.

This new service does not judge if you work 10 hours a week, 40 hours or whether you're retired. The RoundHouse Pantry, Ashton Old Road, Openshaw is offering huge savings on your weekly shop, providing all leading supermarket items at a fraction of the price. The food parcels available depend on how many people live in your household and cost from as little as £5 up to £20.

All you need to do is complete the FREE membership form on the Manchester Settlement Round House website , or call our reception 9.30 – 5pm if you cannot access this.

A team member will then contact you via telephone and, if you qualify, you will receive a weekly text to ask whether you want to place an order, for you to reply Yes or No. If you reply Yes, your parcel will be ready for collection on the day agreed on your form.

As a gesture from the RoundHouse Pantry, your first parcel will be FREE* (whilst stocks last)

There is no legally binding contract. This is a service to help working families, individuals and those who get forgotten about, something we see and hear about every day. The RoundHouse Pantry is a service we feel passionate about, to help make life that little bit easier.

Put a STOP to those tummies rumbling and help get through the tough weeks, months maybe years ahead with a little less to worry about.

The Roundhouse Pantry is run by the Manchester Settlement Charity, and is staffed by volunteers. If you can help with any of our volunteering projects please contact us on this form.
